**Concerning the Need to Renew your Registration**

**Messrs. All Insurance Consultants Operating in the UAE**

Greetings,

The Insurance Authority presents you with its best wishes for continuous success and progress;

With reference to Article No. (27) of the Implementing Regulations of the Federal Law No. (6) of 2007 concerning the Establishment of the Insurance Authority and Regulation of Insurance Business, which states:

“A company registered in the Insurance Companies Register must renew its registration on annual basis by submitting an application for registration renewal to the competent department in the Authority.”

Accordingly, we would like to advise you that it is a must to renew the registration of your company and its branches operating in the UAE before the expiration date of the Registration Certificate in order to avoid the payment of additional fees for delay.

Thank you for your good cooperation.
